David prefer mung beans to red beans. Check the recipe, prepare ingredients for 2 batches of multigrain congee.

David will come, help me prepare additional 1 batch, but switch the beans to David's preference.

Counting

User

Lucy likes plush toys. Inspect the boxes, collect the toy duck and snack into the box.

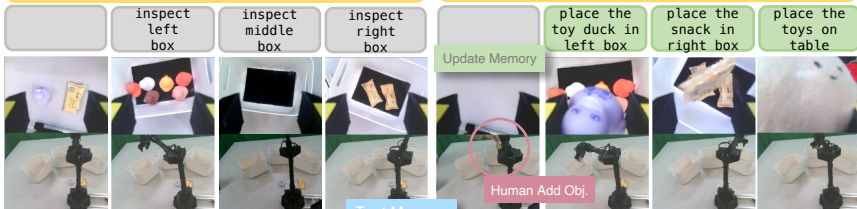

Lucy will come to visit, prepare something she likes.

Rearrangement

User

The toys are dirty, and the toy bread should be next to the toy croissant. Please help me put the toys into the box so I can wash them.

I have washed the toys, please place them in correct position.
